

LEAD
40 MINUTES FROM
VILLE

TRANSMITTER TOWER

Head south on 24 out of Leadville, just after mile marker 201 cross the river and go down stream on the river road (CR 371). Take a left onto 375 just after the tunnels and park after about a mile next to Split Rock (40 minutes from Leadville.) From the parking area follow a trail north for about five minutes to to this south facing crag. All routes are bolted.

- 1 Auto Smiler ★ .10 70'
Climb the face on the right side of the crack.
- 2 Coax Trax ★★.10c 70'
One of the better .10s in BV. The crux is about 20' up and you can get a good stance shortly after the hard moves.
- 3 Analog or Digital ★★.10 70'
Climb up and left, tricky climbing near the top by the horizontal, although you can cheat out left on easier ground.
- 4 I Can Hear You Now ★ .9 70'
The righthand variation to the previous climb.
- 5 Free Roaming ★★.8 18'
A low angle and rambling climb to the right of the gully.
